

Going to Take Georgie on a Sea Cruise
(Parody of "Sea Cruise" by Huey "Piano" Smith)

The ice caps are a-melting; it's on all the news
It's time for the human race to pay some dues
But SAMW ("Sam Dubya") now has ocean views
Go-ing to take Georgie on a sea cruise

Oo-ee, oo-ee Georgie; Oo-ee, oo-ee Georgie
Oo-ee, oo-ee Georgie; Going to take Georgie on a sea cruise

Gonna hit the high seas at a half past eight
No knocking and no ringing so don't you be late
Don't be a-snitchin; we drank lotsa brews
Going to take Georgie on a sea cruise

Oo-ee, oo-ee Georgie; Oo-ee, oo-ee Georgie
Oo-ee, oo-ee Georgie; Going to take Georgie on a sea cruise

I'm rubbin' my eyes looking for the door
But only a hatch way up above the floor
Feeling the urge to shout at my shoes
Why did I take Georgie on a sea cruise?

Oo-ee, oo-ee Georgie; Oo-ee, oo-ee Georgie
Oo-ee, oo-ee Georgie; Going to take Georgie on a sea cruise

Bridge:
I yell out to Georgie, "I'm about to lose control"
And my big head won't fit through the damn port hole
Ooh wee ooh!

I thought that on an ocean trip I'd find my muse
But my Qi (chee) was stifled by excessive booze
And all I have to show is some new tattoos
Why did I take Georgie on a sea cruise?

Oo-ee, oo-ee Georgie; Oo-ee, oo-ee Georgie
Oo-ee, oo-ee Georgie; Going to take Georgie on a sea cruise
Oo-ee, oo-ee Georgie; Oo-ee, oo-ee Georgie
Oo-ee, oo-ee Georgie; Going to take Georgie on a sea cruise

(The Back Story...Over the years as I've sat at breakfast here year after year, I've heard all the stories. That Georgie wasn't a camper at Geneva Point. That he was in France, in Italy, in Russia. That he was a blues musician, at the Olympics, on a chain gang. That he was a Gregorian monk. But then after listening to all the news, I realized that Georgie, and Geneva Point Center, and SAMW were all doomed by global climate change and the inevitable sea level rise. This is the **future** truth about Georgie.)
