

Nothing can be trusted  
Not what I see or hear  
Out of control and dangerous  
Despair leads to fear  
Only one solution  
Before the point of no-return is  
passed  
Give me the hammer  
It's time to break the glass

**It's time to break the glass**  
**Pull the alarm.**  
**We need to act fast**  
**It's a scary emergency**  
**The damage will be vast**  
**It's time to break the glass**

Mean-spirited and spiteful  
For intentional hurt  
Deceitful and devious  
Clandestine and covert  
Satanic spew  
Vulgar and uncouth  
Shouted and repeated  
Loudness is not truth

## **Chorus**

At the root of this evil  
At the center of it all  
Narcissistic egomaniac  
Who signs with a scrawl  
A transparent phony  
Unfit and unwell  
The fish rots from the head  
And this one really smells

**Chorus x2 + tag**

<Heard the phrase from Chris Hayes, MSNBC. It's time to break the glass! – Chris Hayes. It's an emergency. We need to take emergency actions. 2/16/20. Could this be about you know who without it being obvious that it's about him? How do you do that? Glass. Alas. At last. Fast. Blast. Class. Grass. Harass.>

**Fake/end of truth/alternative facts.** I'm at my wit's end with all the false info nothing can be trusted flying around. It's getting out of control and dangerous. Something needs to be done.

**Mean-spirited/hurtful/spiteful.** It's mostly not that people are ill-informed. A lot of it is intentional and attempt to deceive. If you shout something repeatedly, it doesn't make it true.

**Egomaniac.** The root of this evil is you-know-who.
