

Remote the Vote
Mike Delaney, 5/7/20

Chorus:

Remote the Vote

Please send your note

Tell Congress what we need now

Is a safe way to vote

Remote the Vote

Remote the Vote

Six days a week

Stocking shelves; cleaning offices

Just to make ends meet

No way I can go out to vote

The kids need me at home

Little time to cook and clean

I do what I can by phone

I'm telling you, it's time to...

Chorus

I hear that tRump voted by mail

So, why the hell can't I?

He spends so much time golfing

And has a private plane to fly

I did the census online

Filed my taxes by phone

Other than work and family

I spend every day alone

Chorus

They don't care about me

Don't want to hear my voice
What to keep me in the dark
Don't leave me with a choice

It's ZOOM this and ZOOM that
They do their work online
But one way or another
I'm going to vote this time
