

Sedition (parody of "Tradition" from "Fiddler on the Roof")
Mike Delaney, 9/17/20

Sedition is "conduct or speech inciting people to rebel against the authority of a state or monarch".

A reality show actor in the Oval Office...sounds crazy, no? But here in our humble land of Amerika you might say every one of us is a reality show actor. Trying to pretend to be something we aren't, without getting caught. It isn't easy.

You may ask why do we stay, when we have to fake it until we make it, if it's so phony.
Well, we stay because Amerika is our home.

And why should we let people demonstrate? What am I going to do about it? That I can tell you in one word!

Sedition!
Sedition! Sedition! Sedition!
Sedition! Sedition! Sedition!

What do we use on peaceful protesters,
Who use their right to speak, in parks and squares?
How do we show them, if we can't shoot them in the legs?

Our strength can conquer theirs?
The Tear Gas, The Tear Gas, Sedition!
The Tear Gas, The Tear Gas, Sedition!

What do we bring to our proper fight,
Our righteous fight; Our sanctified fight
How do we show we possess the might
So, they'll tremble in their clogs

The Pepper Balls, The Pepper Balls, Sediton!
The Pepper Balls, The Pepper Balls, Sediton!

At first, we used the mounted cops
Baton wielding, riot shield cops
Then we upped our game, because they wouldn't
stop

We had one final chance
To get Antifa off our square
Some thought it too extreme
But we had to rule the air

The Heat-Ray, The Heat-Ray, Sediton!
The Heat-Ray, The Heat-Ray, Sediton!

No peaceful protesters were allowed
In the way of our reality actor's plan
The prop bible photo shoot, wrapped it with a bow
All detractors routed and banned

Sediton!
Sediton! Sediton! Sediton!
Sediton! Sediton! Sediton!
