

**Stormy Daniels (parody of "Stormy Weather")**  
**Mike Delaney and Cece Borjeson, 1/11/19**

Don't know why  
I spent time with that guy  
Stormy Daniels  
He's caught up in so many scandals  
Now, he'll be arraigned all the time

Such a fool  
Couldn't please me with his toadstool  
Stormy Daniels  
Said he loved me wearing spangles  
Said his wife had migraines, all the time

When he came around, I could tell he had no scruples  
Couldn't understand, why he paid me in rubles  
But the last straw, was when he called me Ms. McDougal  
That's when I showed him the door

(A and A instrumental break)

B:  
We screwed around, though it was a brief affair  
With no restraint, I so liked to muss his hair  
Above all, I gotta say, he loved my pair  
Now he'll be paying, for all time

A:

Now hear him speak

The Oval Office orange freak

Stormy Daniels

So, I'm folding laundry, on another channel

We're paying for electile dysfunction, all the time

It was electile dysfunction, all the time

Don't know why  
There's no sun up in the sky  
Stormy weather  
Since my man and I ain't together  
Keeps rainin' all the time

Life is bare  
Gloom and misery everywhere  
Stormy weather  
Just can't get my poor self together  
I'm weary all the time, the time  
So weary all the time

When he went away, the blues walked in and met me  
If he stays away, old rocking chair will get me  
All I do is pray the Lord above will let me  
Walk in the sun once more

Can't go on  
All I have in life is gone  
Stormy weather  
Since my man and I ain't together  
Keeps rainin' all the time  
Keeps rainin' all the time

I walk around, heavy-hearted and sad  
Night comes around, I'm still feelin' bad  
Rain pourin' down, blindin' every hope I had  
This pitterin', patterin', beatin' and spatterin' drives me mad  
Love, love, love, love  
This misery is just too much for me

Can't go on  
Everything I had is gone  
Stormy weather  
Since my man and I ain't together  
Keeps rainin' all the time  
Keeps rainin' all the time
